PUBLIC NOTICE

Subject: Arrangement of Drinking Water Supply During Flood-Related Disruption

Due to the recent flash floods, the water supply system has been severely affected in several areas. While restoration works are being carried out on priority, temporary arrangements have been made to ensure availability of drinking water to the public.

To facilitate citizens during this period of disruption, area-wise officers have been designated as In-charge Officers. The public is requested to approach the concerned officer for their urgent drinking water needs.
